

“Our House” @ HSACNY

“Our House” is a new academic support program staffed with teachers who are committed to seeing their students succeed in multiple subject areas. Within “Our House”, students will receive *homework help*, *small group instruction* and *ongoing access to computer technology* to support 21st century learning.

If you are a student who needs any form of after-school academic support, you are strongly encouraged visit!

Refreshments and light snacks will be served

Program details

- A. Students will have access to “one on one” and “small group” tutoring in multiple academic subject areas.***
- B. Students will have access to computer technology to complete classwork.***
- C. Teachers will reflect on student academic strengths and weaknesses and provide targeted assistance where needed.***
- D. Attendance and interventions will be documented in our Student Information System.***
